

Flower Guild

Who is eligible

The Guild welcomes anyone interested in arranging flowers in the Cathedral, whether previously experienced or not.

What skills are needed

No previous experience is required.

We need to be aware of the appropriate liturgical colours for the coming Sunday.

Is training provided?

New members are given every help and will be shown all the technicalities. Working alongside an experienced member is the best way to learn.

What is the role

The Cathedral is decorated with fresh flower arrangements each week of the year except during Advent and Lent.

The Flower Guild may also provide flowers for weddings, and for other special events that take place in the Cathedral.

What is the time commitment

Flowers are arranged weekly usually on a Friday morning.

All members are assigned to a team with 4/5 members. Each team covers two weeks of the year on an annual rota. A watering rota is organised within the team for the week. Each team member is allocated a stand to arrange (learners will work with an experienced member).

Team leaders' meetings are held throughout the year.

The team leader is responsible for buying the flowers (using funds from the Flower Guild account). We hope to arrange a social event to further assist our members in their work in the new year.
